About MHSA

The Massachusetts Housing and Shelter Alliance (MHSA) is a non-profit public policy advocacy organization with the sole mission of ending homelessness in the Commonwealth. Through strategic partnerships formed with government, businesses, private philanthropy, service providers and homeless individuals, MHSA works to ensure that homelessness does not become a permanent part of the social landscape.

What MHSA does

Educate about the plight of homeless people and solutions that work to end their struggle

Advocate for strategic use of public and private dollars based on research and best practices

Innovate more cost-effective and efficient solutions to end homelessness

Collaborate with all levels of government and the private sector to bring our poorest neighbors home for good.

About the MHSA Young Professionals Group (YPG)

We offer social, educational, networking and fundraising opportunities for young leaders to support the mission MHSA: ending homelessness in Massachusetts.
