Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary as of June 30, 2017 and 2016, and the consolidated changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 15, 2017, on our consideration of Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary's internal control over financial reporting and on our tests of their compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary's internal control over financial reporting and compliance.

Notes to Consolidated Financial Statements

June 30, 2017

Note 1 – Reporting Entity and Nature of Activities

Reporting Entity and Principles of Consolidation – The accompanying consolidated financial statements as of and for the years ended June 30, 2017 and 2016 include the accounts of Massachusetts Housing and Shelter Alliance, Inc. (“MHSA”) and its wholly-owned subsidiary, Massachusetts Alliance for Supportive Housing, LLC (“MASH”) which, consolidated, are referred to herein as the “Organization”.

Nature of Activities

Massachusetts Housing and Shelter Alliance, Inc. was incorporated in Massachusetts as a non-profit organization on July 17, 1990. The stated purpose of MHSA is to provide social work, social services, education, public policy guidance and public service functions. MHSA provides for a forum in Massachusetts for the planning, coordination, communication, advocacy, development and implementation of outcome-based programs for unaccompanied homeless adults. Persons receive the benefits of shelter, housing and services state-wide through program management, development, policy-making, program administration, technical assistance, resource development, and coordination, planning and monitoring activities.

MHSA currently provides the following services:

Emergency Shelter and Transitional Programs – During fiscal 2017, the program provided, in partnership with community-based service organizations and landlords, 385 shelter and transitional housing beds each night. The programs provide clients with safe living accommodations, meals, transportation, case management, income-related referrals and public benefits access, referral services, housing search and other services focused primarily on helping individuals to access permanent housing. The program has some components that focus on specific subpopulations of homeless individuals, such as veterans, chronically homeless adults, women and individuals with varying degrees of disabilities. The program includes a State-Historic Shelter Contract, a Federal Emergency Solution Grant, and a Safe Haven Grant that serves veterans.

Permanent Housing and Related Services – During fiscal 2017, the program provided, in partnership with community-based service organizations and landlords, 666 units of permanent supportive housing for formerly homeless individuals across the state. These services are delivered in every region of the state and are the programmatic basis for the organization’s cost-benefit analysis and increasingly recognized outcome-focused data studies. The program includes Home & Healthy for Good – State, Home & Healthy for Good – Boston, Journey to Success, Post Detox/Pre Recovery, Home Front and Permanent Housing & Stabilization.

Rapid Rehousing – MHSA assisted 180 households during fiscal 2017 in gaining permanent housing through a rapid rehousing program, which allows individuals to access start up, moving, utilities and short/medium-term shallow rent subsidy funds when entering into housing. The program currently operates in the Greater Boston area of Massachusetts. The Organization has developed best practices from the implementation of this program to be used on continued rapid rehousing initiatives moving forward.

Note 1 – Reporting Entity and Nature of Activities (Cont.)

Advocacy, Planning and Technical Assistance – Provides a forum in the Commonwealth of Massachusetts for the planning and coordination of policy, community and stakeholder education and communication of issues, and the piloting and implementation of housing and services for homeless individuals. Programs and advocacy are designed to end the Commonwealth's reliance on emergency services for homeless individuals. The Organization conducts site visits and program reviews to share best practices, provide technical assistance, and strive to create a network of resources and collaborative service providers. The Organization conducts advocacy and planning to ensure that the state reduces its reliance on emergency services and focuses its efforts on permanent housing as a solution to homelessness.

Massachusetts Alliance for Supportive Housing, LLC ("MASH"), a single member LLC, was organized on June 19, 2014 for the purpose of providing charitable and educational activities consisting of coordinating, facilitating, providing and/or promoting social services and housing for high-use homeless individuals through the Pay for Success Homeless Initiative. The initial support for MASH's operational costs was obtained through a private funding agreement (see Note 8) and to the extent that MASH is successful in housing high-use homeless individuals, the Commonwealth of Massachusetts's Department of Administration and Finance ("ANF") will provide further funding in the form of success payments.

MASH strategically partners the Pay for Success Homeless Initiative with the United Way of Massachusetts Bay and Merrimack Valley ("UWMB/MV"). The UWMB/MV assists in the administration and delivery of program services. MASH reimburses the UWMB/MV for performing financial program and grant management services. MASH also engages three other organizations to perform services: (1) the Corporation for Supportive Housing performs technical, advisory and management assistance services, (2) Root Cause serves as the independent evaluator of the program success rate which directly impacts the amount of funding received from ANF and, (3) MHSA performs program administration services including providing a dedicated staff person and other administrative support.

During fiscal 2017, MASH assisted approximately 265 individuals in gaining permanent housing through the "Pay for Success" program, serving a total of 503 individuals within the fiscal year.

Note 2 – Summary of Significant Accounting Principles

Standards of Accounting and Reporting -The Organization follows the standards of accounting and financial reporting as described in the American Institute of Certified Public Accountants' Audit and Accounting Guide "Not-for-Profit Organizations".

Financial Statement Presentation - The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets (see Note 9). A description of the three net asset categories follows:

Unrestricted – Net assets that are not subject to donor-imposed restrictions. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors.

Temporarily Restricted – Net assets whose use by the Organization is subject to donor-imposed restrictions that can be fulfilled by actions of the Organization pursuant to the restrictions or that expire by the passage of time.

Permanently Restricted – Net assets subject to donor-imposed restrictions that they be maintained permanently by the Organization. No permanently restricted assets were received or held during 2017 and 2016 and, accordingly, the accompanying financial statements do not reflect any activity related to this class of net assets.

Note 2 – Summary of Significant Accounting Principles (Cont.)

Use of Estimates - The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Contracts and Other Receivables – Contracts and other receivables are stated net of an allowance for doubtful accounts, when considered necessary by management, which would be reported on the face of the Organization's statement of financial position. The allowance is established via a provision for bad debts charged to operations. On a periodic basis, management evaluates its accounts receivable and establishes or adjusts its allowance to an amount that it believes will be adequate to absorb possible losses on accounts that may become uncollectible, based on evaluations of the collectability of individual accounts, the Organization's history of prior loss experience and on current economic conditions. Accounts receivable are written off and charged against the allowance when management believes that the collectability of the specific account is unlikely.

There is no allowance for doubtful accounts recorded at June 30, 2017 and 2016 as none was considered necessary by management.

Furniture and Equipment – These assets are recorded at cost when purchased or, if donated, at their estimated fair market value at the date of donation. Acquisitions of furniture and equipment and expenditures for repairs and improvements that materially prolong the useful lives of assets are capitalized (see Note 5).

Depreciation – Provisions for depreciation are made in the accounts using the straight-line method over the estimated useful lives of the assets. Furniture and equipment are currently being depreciated over 3 - 7 years.

Allocation of Expenses – Expenses are allocated among program and supporting services directly, or on the basis of time records and utilization estimates made by the Organization's management. General and administrative expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

Cash and Cash Equivalents – For the purposes of the statements of cash flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Investments – Investments in marketable equity securities with a readily determinable fair value (including mutual funds) and all debt securities are reported at fair value, with unrealized gains and losses reflected in the statement of activities (see Note 4).

Fair Value Measurements – The Organization follows the Financial Accounting Standards Board's (FASB) Accounting Standards Codification (ASC) Topic 820, "Fair Value Measurements", for assets and liabilities that are measured and recorded at fair value, and to determine fair value disclosures. This standard applies to certain existing accounting pronouncements that require or permit fair value measurements.

This standard defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. It establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers consist of: Level 1, defined as observable inputs such as quoted prices in active markets; Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions. The Organization uses the market approach as the valuation technique for all assets and liabilities measured and recorded at fair value within the three-tier fair value hierarchy. The application of this standard is limited to the Organization's investment securities (see Note 4).

Note 2 – Summary of Significant Accounting Principles (Cont.)

Contract Revenue Recognition – Contracts are recognized as revenue upon performance of reimbursable activities and delivery of program services. In most cases, the contracts have been restricted by the funding source as being only available for use in specific programs. These government contract revenues are recorded together with other unrestricted revenue. The Organization provides service under a variety of third-party agreements, many of which provide for current payment on a provisional basis, subject to cost reports and audits by the respective contracting parties.

Promises To Give – Unconditional promises to give are recognized as revenues or gains in the period in which the pledge is made at the present value of future cash flows, and recorded as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Restricted and Unrestricted Support – Contributions and grants received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Consolidated Statement of Activities as net assets released from restrictions (see Note 9).

Contributed Services – Donated services are recognized as contributions in accordance with generally accepted accounting principles if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased. When applicable, the value of donated services is included in the accompanying financial statements as support, with corresponding amounts included as expenses, based upon values estimated by management or the donating organization. The Organization received \$1,240 and \$10,485 in contributed services during 2017 and 2016, respectively.

Evaluation of Subsequent Events – In accordance with generally accepted accounting principles, management has evaluated subsequent events involving the Organization for potential recognition or disclosure in the accompanying financial statements. Subsequent events are events or transactions that occurred after June 30, 2017 up through November 15, 2017, the date the accompanying financial statements were available to be issued.

Note 3 - Tax Status

Massachusetts Housing and Shelter Alliance, Inc. and its Subsidiary are exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and, accordingly, no provision for income taxes is included in the accompanying financial statements. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(a) and has been classified as an organization that is not a private foundation under Section 509(a)(1).

The Organization's Forms 990, Return of Organization Exempt from Income Tax, are subject to examination by the IRS, generally for three years after they were filed.

Note 4 – Investments (Cont.)

The Organization's investment income and expenses are as follows for the year ended June 30:

	<u>2017</u>	<u>2016</u>
Interest and dividends	\$ 15,495	\$ 15,495
Realized gains (losses)	10,922	(7,262)

Total investment returns	<u>\$ 73,286</u>	<u>\$ (4,965)</u>
Investment fees	<u>\$ 8,639</u>	<u>\$ 7,881</u>

Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statement of financial position.

Note 5 – Furniture and Equipment

The principal categories of furniture and equipment at June 30 are as follows:

	<u>2017</u>	<u>2016</u>
Office equipment	\$ 20,641	\$ 16,219
Computer equipment and software	53,695	73,691
Office furniture	<u>22,444</u>	<u>12,037</u>
	96,780	101,947
Less accumulated depreciation	<u>65,099</u>	<u>87,339</u>
	<u>\$ 31,681</u>	<u>\$ 14,608</u>

Depreciation expense was \$14,368 and \$9,306 for the years ended June 30, 2017 and 2016, respectively.

Note 6 – Note Receivable

During September of 2009, the Organization, as the lender, entered into a \$100,000 non-interest bearing revolving demand note and loan agreement (the Note) with The American Roundtable to Abolish Homelessness, Inc. ("ART"). Principal payments are due annually within 90 days of ART's fiscal year end in an amount equal to 25% of ART's net revenue earned in excess of annual operating expenses. The terms of the Note require that ART's board of directors consist of at least one of the Organization's directors. As of June 30, 2017 and 2016, \$100,000 was legally outstanding under this note agreement. During a prior year, the Organization's management assessed the collectability of the note receivable and deemed the note to be most-likely uncollectible. Accordingly, management reduced the carrying amount of the note receivable to zero through a charge to non-operating expenses in a prior year by establishing a corresponding allowance for doubtful collection of \$100,000.

Note 7 – Bank Line of Credit

The Organization maintains a line of credit with a local bank, collateralized by all business assets. The line allows a maximum draw down of \$500,000. Borrowings under the agreement are due on demand, and interest is payable monthly at the Wall Street Journal prime rate (4.25% and 3.99% at June 30, 2017 and 2016, respectively). As of June 30, 2017 and 2016, there were no outstanding balances under this agreement.

Note 8 – Notes Payable

On May 28, 2015, MASH entered into a private funding agreement with three funding sources to obtain private investment capital in support of the Pay for Success Homeless Initiative. Santander Bank, the United Way of Massachusetts Bay and Merrimack Valley, and Corporation for Supportive Housing (collectively “the investors”) provided \$1,000,000, \$1,000,000 and \$500,000, respectively. This \$2,500,000 in financing is presented as long-term debt on the Consolidated Statement of Financial Position.

Interest on the principal accrues at an annual rate based on the “success rate” attained by MASH, which will be determined by an independent evaluator. The first interest calculation date is June 30, 2017 and the second and final interest calculation date is June 30, 2021. All interest due will be paid within thirty days after confirmation of the success rate for the applicable interest calculation period as determined by the independent evaluator. The interest rate ranges from 0% to 5.33% depending on the success rate. On the final interest payment date, in addition to the final payment of interest, MASH will also make a principal repayment in accordance with the success rate schedule. The investors stand to lose principal depending on the success rate and it is possible that they may lose the full \$2,500,000 if the success rate does not meet a minimum threshold. In the event of such an occurrence, MASH will not be required to repay such amount based on the success rate schedule.

Based on MASH’s success rate through June 30, 2017, cumulative accrued interest has been calculated at \$166,500 (\$90,650 at June 30, 2016).

Success rate reimbursements from the Commonwealth of Massachusetts will be received for qualified participants that have been housed for at least twelve consecutive months. The Commonwealth’s payments are based on a per diem rate of \$8.22 and in no event will they exceed a cumulative amount of \$6,000,000.

Note 9 – Net Assets

The Organization’s temporarily restricted net assets consist of the following at June 30:

	<u>2017</u>	<u>2016</u>
Hospital to Housing	\$ 789,631	\$ 526,527
Operational Support - Time Restricted	<u>28,356</u>	<u>43,735</u>
	<u>\$ 817,987</u>	<u>\$ 570,262</u>

Temporarily restricted net assets were released for the following purposes during the year ended June 30:

	<u>2017</u>	<u>2016</u>
Housing High Users of Emergency Services	\$ -	\$ 33,878
"Next Practices" Disabilities Reform	-	4,023
Speakers Bureau	-	2,500
Pay for Success Program	-	50,000
Housing Consortium for Discharge Planning	-	15,141
Home Front	-	25,000
Hospital to Housing	303,563	40,140
Rapid Rehousing Program	-	10,000
Veterans Homeless In-Reach Program	-	33,726

Operational Support - Time Restricted	<u>190,379</u>	<u>131,265</u>
	<u>\$ 493,942</u>	<u>\$ 355,673</u>

Note 10 – Lease Commitments

Occupancy Leases – The Organization leased its principal offices at 25 Kingston Street, Boston, Massachusetts. The office space was leased from an entity administered by a member of the Organization's Board of Directors (see Note 12). Effective August 1, 2016, the Organization moved its principal offices to 7 Bulfinch Place, Boston, MA. The new occupancy lease is for a five-year term with first year monthly rentals of \$8,809. The lease contains one option to extend the lease for an additional five-year term at the prevailing market rate. The lease required a security deposit of \$17,618. The base rent encompasses the costs of utilities, including heat, air conditioning, and conventional office electrical use. The Organization will be liable for any increases in real estate taxes and operating expenses over base year amounts.

Rent expense totaled approximately \$104,000 and \$83,000 for the years ended June 30, 2017 and 2016, respectively.

Future minimum lease payments due under the non-cancellable lease is as follows:

Year Ending June 30	
2018	\$ 109,046
2019	112,691
2020	116,336
2021	119,981
2022	10,024
Total	<u>\$ 468,078</u>

Program Leases – In conjunction with government funded programs, the Organization makes rent payments on behalf of program participants for residential housing. Total client housing expenditures eligible for reimbursement, which are included in program tenant assistance in the statement of functional expenses, were approximately \$314,000 and \$302,000 for the years ended June 30, 2017 and 2016, respectively.

Future minimum lease payments due under these residential housing lease agreements are \$40,500 during the year ending June 30, 2018.

Also, in conjunction with government funded programs, the Organization holds lease agreements with various subcontractors, such as YMCAs and YWCAs as well as post-detox/pre-recovery housing programs providing transitional assistance and rooms for homeless people. These expenses are recorded by the Organization as subcontractor and program facility expense as specified by the government reimbursement contract.

Note 11 - Employee Benefit Plan

The Organization offers a 401(k) retirement savings plan for its employees. For each plan year, the employer may contribute to the plan on behalf of each eligible participant. The Organization determines the amount, if any, of the employer matching contribution. The employer contributions for the years ended June 30, 2017 and 2016 totaled \$22,893 and \$19,607, respectively.

Note 12 - Related Party Transactions

Board of Directors – Four of the twenty-four members of the Organization's Board of Directors who served at some point during the year ending June 30, 2017 are Executive Directors of organizations that hold subcontracts with Massachusetts Housing and Shelter Alliance, Inc.

Note 12 - Related Party Transactions (Cont.)

The Organization also does the majority of its banking at a local bank, of which one of the Organization's board members is a vice president. In addition, the Organization receives contributions from various board members or their affiliated organizations.

A director of the Organization serves on the Board of Directors of ART, an entity with which the Organization has a \$100,000 note receivable (see Note 6). No consulting services were provided by ART during the years ended June 30, 2017 and 2016.

Below is a summary of related party transactions for the years ended June 30:

	<u>2017</u>	<u>2016</u>
Expenses:		
Subcontractors/program facilities	\$ 2,536,567	\$ 2,582,744
Office rent	-	82,744
	<u>\$ 2,536,567</u>	<u>\$ 2,665,488</u>
Revenues and Support:		
Contributions	<u>\$ 42,707</u>	<u>\$ 25,570</u>
Liabilities:		
Due to subrecipients	<u>\$ 690,900</u>	<u>\$ 534,932</u>

Inter-Entity – During the year ended June 30, 2017, MHSA recognized \$148,800 in program management fee income from MASH. During the year ended June 30, 2016, MHSA recognized \$169,800 in program management fees from MASH; \$42,450 of these fees represented the recognition of previously deferred revenue for cash received prior to the end of June 30, 2015. The remaining \$127,350 of fee income related to the period from October 1, 2015 through June 30, 2016.

All transactions and intercompany balances between MHSA and MASH have been eliminated in the consolidation of the financial statements.

Note 13 - Financial Instruments and Concentrations of Credit Risk

The Organization maintains a significant portion of its cash balances in two financial institutions. The balances are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000 each. At times during the year, cash balances may exceed the insured amounts. At June 30, 2017, MASH's cash balance in one of these two banks exceeded FDIC coverage by approximately \$1,127,000, based upon the bank balances. At June 30, 2017, MHSA has cash equivalents of approximately \$147,000, consisting of two uninsured money market accounts. The Organization performs periodic evaluations of the relative credit standings of the banks to limit the amount of credit exposure with these financial institutions.

The Organization's contracts receivable are amounts predominantly due from federal, state and local governments. The Organization received approximately \$9,608,000 (77%) and \$8,823,000 (75%) of its total revenues and support from the Commonwealth of Massachusetts during 2017 and 2016, respectively.

Independent Auditors' Report On Consolidating Financial Statements

Board of Directors
Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary

Our report on our audit of the consolidated financial statements of Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary appears on Page 1. Our audit was performed for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying consolidating statements of financial position as of June 30, 2017 and 2016, and the related consolidating statements of activities and changes in net assets, and cash flows for the years then ended, are presented for purposes of additional analysis and are not a required part of the basic consolidated financial statements of Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the consolidating statements are fairly stated in all material respects in relation to the basic consolidated financial statements as a whole.

Independent Auditors' Report on Other Financial Information

Board of Directors

Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary

We have audited the consolidated financial statements of Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary as of and for the years ended June 30, 2017 and 2016, and have issued our report thereon on page one, dated November 15, 2017, which contains an unmodified opinion on those consolidated financial statements. Our audits were performed for the purpose of forming an opinion on the basic consolidated financial statements as a whole. The accompanying unconsolidated statements of position, activities and changes in net assets and cash flows for Massachusetts Housing and Shelter Alliance, Inc. ("MHSA") and the schedules of unrestricted operating support, revenue and expenses for the "social impact bonding program" of MHSA for the years ended June 30, 2017 and 2016 are presented for purposes of additional analysis and are not a required part of the basic consolidated financial statements of Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the basic consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic consolidated financial statements as a whole.

Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed In Accordance with *Government Auditing Standards*

Board of Directors

Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary (a nonprofit organization), which comprise the consolidated statement of financial position as of June 30, 2017, and the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 15, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary's internal control. Accordingly, we do not express an opinion on the effectiveness of Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by the Uniform Guidance

Board of Directors
Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary

Report on Compliance for Each Major Federal Program

We have audited Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary's major federal programs for the year ended June 30, 2017. Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary's compliance.

Opinion on Each Major Federal Program

In our opinion, Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017.

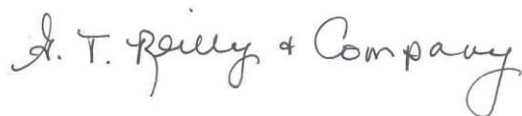

Report on Internal Control Over Compliance

Management of Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Massachusetts Housing and Shelter Alliance, Inc. and Subsidiary's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
