

PAY FOR SUCCESS

2019 Fact Sheet

The Commonwealth's homeless social innovation financing initiative (also known as SIF or "Pay for Success") is a permanent supportive housing initiative aimed at serving between 500 and 800 homeless individuals over six years. To implement this program, the Massachusetts Housing & Shelter Alliance (MHSA) partnered with United Way of Massachusetts Bay and Merrimack Valley (MASH's fiscal agent) and CSH (serving as evaluation experts) to form an LLC called Massachusetts Alliance for Supportive Housing (MASH) to serve as an intermediary between investors, providers and the Commonwealth.

> Program Enrollments

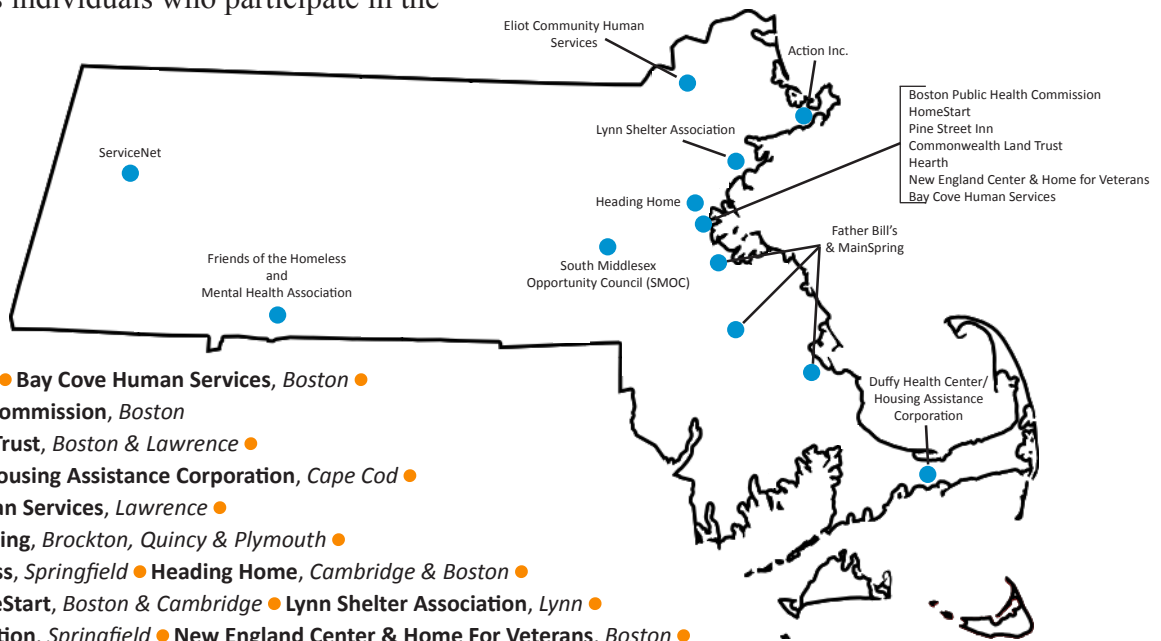

As of May 2019, the PFS program has housed **838 tenants**. Of the 838 tenants, **643** have been enrolled in the MassHealth PFS CSPECH program. To date, over **89%** of the tenants are in the program or have had a qualified positive exit. In the 6 months prior to entering housing, PFS participants accumulated:

- 62,945 nights in shelter
- 3,894 days in the hospital
- 1,563 emergency room visits
- 1,185 nights in detox
- 712 ambulance calls

> Provider Agencies

MASH identified and subcontracted with homeless service providers to provide housing and support services to homeless individuals who participate in the PFS initiative.

ENROLLMENT DEMOGRAPHICS	COUNT	PERCENTAGE
GENDER	838	100%
Female	274	33%
Male	559	67%
Transgender	5	<1%

> Triage and Assessment

A triage and assessment tool was independently developed by MASH, to be used to target and identify highly vulnerable, high expected cost individuals. The tool asks questions about homelessness, utilization of emergency services, physical health, mental health, and substance abuse. As of May 2019, PFS Provider Agencies have conducted **2,563 triage and assessments**.

- 88% of applicants report having a mental health disability
- 51% of applicants report having a head injury/trauma
- 53% of applicants report having a substance abuse disorder
- 64% of applicants report having a history of incarceration
- 49% of applicants report having dual diagnosis

> Status as of May 2019
